# WHO WE ARE

At Southern Frontenac Community Services, locally known as the Grace Centre, we are committed to enhancing the well-being of residents in South Frontenac and rural Kingston (north of the 401). Our mission is to work with others to help seniors age well in their own community and to facilitate connections and provide families with services to meet their basic needs.

With a focus on building a stronger, healthier community, we work tirelessly to meet the growing demand for our services, particularly as seniors represent South Frontenac's fastest-growing demographic. Over the past year, we've seen a significant increase in the number of individuals and families seeking support. While we continue to offer vital programs for rural seniors and vulnerable community members, the need is greater than ever.

## WE NEED YOUR SUPPORT NOW MORE THAN EVER

Your generous sponsorship is vital in helping us continue to offer life-changing programs and services. From food security to social activities, and support programs for seniors facing difficult times, your partnership allows us to make a lasting impact on the lives of those who need it most.

We invite you to consider sponsoring our 15th Annual Golf Tournament. By joining us in this important effort, we can work together to build an even stronger, more supportive community—one where everyone has the opportunity to *Grow with Grace*.
